As discussed with Applicant's representative Craig Svoboda on 3/21/04, the information disclosure statement filed July 8, 2003 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP, 609 because citations 85 and 86 lack sufficient description so as to lead the reader to the cited documents. The documents provided have been considered, however the citation will not be printed. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP, 609, C(1).
